

A student's future in medicine begins here. Classes will give students a glimpse of what it means to be a medical professional! This exciting camp will provide hands-on activities using real medical equipment. Students will learn various medical techniques such as CPR and First-Aid Training while gaining hands-on technological experience through real life simulators and field trips!

**When:** June 10 – June 21  
**Time:** 9:00am - 3:00pm  
**Location:** Beach High School  
**Who:** Rising 6<sup>th</sup> - 8<sup>th</sup> Graders  
**Cost:** \$200

## Medical Careers of Tomorrow
